681.0F	€ 383,00	YAMAHA YZF R6R, '06 - '10	REVERSE SHIFTING incl. exhaust support
681F	€ 383,00	YAMAHA YZF R6R, '06 - '10	STANDARD SHIFTING incl. exhaust support

If it does not CLEARLY say reverse or standard shifting, the kit is able to work for both types - you only have to turn around the shift joint on engine axis. If it CLEARLY says reverse (or standard) shifting only, IT IS NOT able to use it both ways. In most cases because there is not enough space around the rear set.
